This is the tentative order of events for Thursday July 26th, 2018. This order of events is different from previous years. The Skill Competitions for 8U and 10U Teams ONLY will begin at 12:00PM. They will be finished by 1:30PM. Because of the logistics of putting nearly 2000 girls thru the skills competitions, and the fact we did not want players and parents sitting around for 2-3 hours waiting for their turn to do them, we have changed the time for their skills contests for the 8u and 10u players to before the parade of teams. The Parade of Teams for ALL TEAMS - 8U, 10U and 12U - will begin at 2:00PM. We ask all teams participating in the Parade to be at the fields by 1:30PM. The Skill Competitions for the 12U Teams ONLY will begin immediately following the Parade. In order to participate in each event, the player must go to the assigned dugout to sign up with the Field Captain. There is a limit of 2 players per team for each individual event. We do this to ensure players from. Please let your players know this rule.
